

“Do It Right”

**If you have a thing to do - Do It Right;
Stick at it till you're through - Do It Right;
Give good and honest work,
It never pays to shirk - Do It Right;**

**Whether working fast or slow - Do It Right;
Don't do things just for show - Do It Right;
If things go wrong don't cry,
Just all the harder try - Do It Right;**

**If wealth you would aspire - Do It Right;
If fame you would acquire - Do It Right;
Shun ill-gotten gain,
Strive for an honored name - Do It Right;**

THE HABIT POEM

I am your constant companion.
I am your greatest helper or your heaviest burden.
I will push you onward or drag you down to failure.
I am completely at your command.
Half the things you do, you might just as well turn over to me,
and I will be able to do them quickly and correctly.
I am easily managed; you must merely be firm with me.
Show me exactly how you want something done, and after a
few lessons I will do it automatically.

I am the servant of all great men.
And, alas, of all failures as well.
Those who are great, I have made great.
Those who are failures, I have made failures.
I am not a machine, though I work with all the precision of a
machine.
Plus, the intelligence of a man.
You may run me for profit, or run me for ruin; it makes no
difference to me.
Take me, train me, be firm with me and I will put the world at
your feet.
Be easy with me, and I will destroy you.
Who am I?

I am a HABIT!

How Long Does It Take to Learn

**How long does it take to learn
To bait a hook with a wiggly worm,
To make a bed, to wash a plate,
To swim, to dive to figure skate,
To iron a shirt to mend a seam,
To walk with balance on a beam?**

**How do you think grown-ups know
The way to dance, to paint, or sew?
They were all once children, too,
Learning skills that were brand new.
They felt tired, they got mad--
Sometimes, their moods were very bad!**

**Anytime you learn a skill,
It's like climbing a steep hill.
Stumbles, scrapes, a few Oh, no's.
Accept them as your talent grows.
With practice, you'll see, bit by bit,
You're getting better - so don't quit!**
